Playground Grants and Funding Opportunities
Canada

Canadian Tire Jumpstart Accessibility Grant
Accessible grants that support the capital costs of construction and renovation projects aimed at helping kids of all abilities enjoy sport and play.

KaBOOM: Let's Play Dream Playground Grants
Since 1996, KABOOM! has collaborated with partners to build, open or improve more than 16,700 playgrounds across the country. We build playspaces in partnership with child-serving nonprofits and municipal agencies. Our projects are an incredible opportunity to build new and exciting places for kids and teens to play.

Enabling Accessibility Fund
The Enabling Accessibility Fund (EAF) provides funding to eligible capital projects that increase access for people with disabilities to Canadian communities and workplaces, which in turn creates opportunities for people with disabilities to participate in community activities or access employment opportunities.

Canadian Dermatology Association (CDA)'s Shade Structure Grant Program
Grants of up to $7,500 are available through this initiative to help build permanent shade structures at schools, daycare centers, parks, and non-profit organizations across Canada. The purpose is to promote sun-safe outdoor spaces that shield individuals from harmful UV rays.

Community Foundations of Canada
The Healthy Communities Initiative will provide funding to a broad range of organizations, including local governments, charities, Indigenous communities and nonprofits, for projects, programming and services that help communities create safe and vibrant public spaces, improve mobility options and provide innovative digital solutions.

Canada Post Community Foundation
The Community Foundation awards grants to Canadian schools, charities and community organizations that make a difference in the lives of children and youth, up to the age of 21.

Good Life Kids Foundation
For kids and youth with special needs, the path to getting active isn't always as simple as joining the local sports team or signing up for lessons around the corner. Our Grant Program has been able to help by providing funding to support ongoing physical activity and fitness opportunities through local, provincial and national registered charities across Canada.

Aviva Community
Fund The Aviva Community Fund invests in charitable community initiatives across Canada to strengthen the local community. There are two levels of funding for this grant, less than $50,000 and $50,000-$100,000.

Rick Hansen Foundation
Through the Richardson Foundation, Richardson International and its various divisions support many different community initiatives, such as Splash parks, Playgrounds, Sports fields, Arenas, Community halls, and Volunteer Fire Departments.

Honda Canada Foundation (HCF)
HCP is dedicated to enhancing the lives and social well-being of Canadian communities by investing responsibly in organizations that share our vision and values. By helping charities registered with the Canadian Revenue Agency (CRA), our goals include Recognizing and responding to the changing needs of our communities, Investing in the people and the charitable groups that make a difference and maximizing the usefulness of our involvement.

TD Friends of the Environment Foundation Grant
The Foundation supports a wide range of environmental initiatives, with a primary focus on environmental education and green space programs. Eligible projects include schoolyard greening, park revitalization, community gardens, park programming and citizen science initiatives.

Richardson Foundation Grant
Through the Richardson Foundation, Richardson International and its various divisions support many different community initiatives, such as Splash parks, Playgrounds, Sports fields, Arenas, Community Halls and Volunteer Fire Departments.

Western Financial Group
Western Communities Foundation The Western Communities Foundation, a not-for-profit that partners with other charitable programs focusing on health, public housing, education and recreation, is a pillar of their organization. Western Financial Group supports the communities in which we live and do business. The foundation has positively affected infrastructure, services and community pride.

FCC AgriSpirit Fund
Do you have a capital project that will enrich lives in your rural community? The FCC AgriSpirit Fund may provide between $5,000 to $25,000 to projects that qualify in a city or town of fewer than 150,000 people, or an Indigenous community.

Co-op Community Spaces Funding
Community Spaces was established to help fund projects in the communities across Western Canada where we live, work, and operate. Eligible projects can apply for capital funding between $25,000 and $150,000 in the areas of recreation, environmental conservation, and urban agriculture.

Sandbox Mutual Insurance: Communities at Play Program
Sandbox Mutual Insurance Communities at Play Grant provides $25,000 in funding to support new or existing community playground projects. The program helps communities create or enhance safe, inclusive, and accessible outdoor play spaces where children and families can learn, connect, and play. Funding is available for projects that strengthen community recreation opportunities and bring high-quality playground spaces to life.
